

Our Mission Statement

White Horse Recovery Community Organization is committed to providing a safe, non-judgmental place for anyone seeking recovery from substance use disorders. Our goal is to strengthen chosen pathways to recovery with peer supports and the resources needed to develop, support, and maintain a long-term recovery plan.

Recovery Coaching

Our recovery coaches meet you where you are at, walking alongside you on your journey to a sustained recovery. Coaches also help you access treatment information, and other resources such as recovery support groups, assistance with wellness plans, health insurance, housing, and basic needs.

Certified Recovery Support Workers

CRSWs are ethically responsible advocates which mentor & educate individuals pursuing recovery from substance use disorders through every phase of the recovery journey: pre-recovery engagement, recovery initiation, recovery stabilization and sustained recovery maintenance.
